## Areas of Practice

Intellectual Property

## About

Lirio is an associate at Gonzalez Calvillo, she has been an integral part of the Intellectual Property practice at our firm since 2006. She currently leads our Patent area, boasting over 15 years of extensive experience in this field.

Her main area of expertise is legal advice on patents, issuance of opinions on patentability, processing of patents, utility models, and industrial designs in Mexico and abroad, she also collaborates on patent litigation matters. Additionally, she handles management of international portfolios of trademarks, and she provides general advice on the registration of distinctive signs, copyrights, reservation of rights, domain names, franchises, licensing of intellectual property, plant varieties, and industrial secrets.
