About

Paulina has focused her practice on real estate law, corporate, corporate finance, mergers and acquisitions, capital markets, banking and finance regulation and private equity and fund formation.

Her real estate and corporate experience include advising clients on the purchase and sale of real estate assets, and in all the related aspects to leasing within Mexico including structure, development and planning, as well as preparing its agreements and documentation related to real estate transactions. Paulina also advises clients in all matters related to the corporate area, supporting them in the incorporation, regularization and in any corporate transaction, verifying compliance with all its obligations and provisions established by law. Paulina's Banking and Finance practice has been recognized by IFLR1000 which named her as Notable Practitioner.

She obtained her law degree from Universidad Iberoamericana in Mexico City, Mexico.
